North Adelaide Heritage Group's Rodney and Regina Twiss are renowned for their commitment to preserving Adelaide's architectural history. Their contribution is the historic homes and cottages they protect and share with guests from around the world. The choice of heritage stays ranges from cosy cottages to the most luxurious of apartments and townhouses.

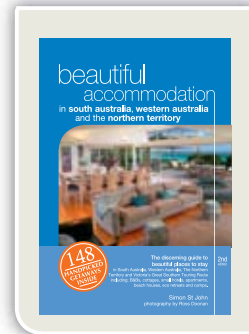

Bishops Garden (circa 1890) has French doors that open out to a cherished 100-year-old garden set in one of North Adelaide's leafiest precincts. The indulgences inside include a marble bathroom with double spa, deep chesterfields and a gourmet kitchen.

The Residency Penthouse has a light-filled open-plan lounge (we love the flickering gas log fire and leather sofas), dining and kitchen that flow onto a spacious sun deck. Tall ceilings, antiques and Juliette balconies exemplify the stylish past of North Adelaide, which has now become a culinary and artistic hotspot. Whichever you choose, you can be assured of privacy and impeccable presentation.

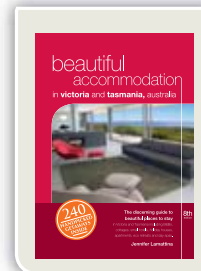

Location: Five minutes from Adelaide CBD. Map 1. RA 64 F4.
Facilities: 18 private suites, apartments and cottages with ensuite or private bathrooms (most with spa), phones, each with two or three bedrooms, full kitchen or kitchenette, most with private lounge, dining room. Room service available. Full breakfast provisions provided.
